  - a. **Question:** Is abatement design by UNCW?  
**Answer:** Yes. UNCW contracted with ECS Southeast, LLP and they have already prepared the abatement survey, summary and design. It is attached to this addendum.
  - b. **Question:** What is the carpet type for Alternates 3 & 3A.  
**Answer:** Carpet Tile - A.
  - c. **Question:** If there is no new work required in an area but has hazardous materials, does it still need to be abated?  
**Answer:** No. The intent is to only abate the areas that have new work. However, if an alternate is accepted, any abatement in those areas needs to be included in the alternate pricing on the bid form. See attached abatement design by ECS for further clarification on hazardous materials and locations.
  - d. **Question:** Who is responsible for the wayfinding accent VWC-B in Alternate 7? It seems that should be included with the rest of the work in spec section 097200.  
**Answer:** Alternate No. 7 – Wayfinding Accent VWC-B Digital Graphic Pattern signage shall be included with BP09E – Painting-Wall Coverings. Please reference spec section 097200 – Wall Coverings and also keynote 1 on sheet A3.0.1. New bid forms for signage and painting are attached.
  - e. **Question:** As we were looking over the Summary Table of the asbestos inspection report completed by ECS, we noticed the only item that is not quantified is the asbestos black mastic on 6" pipes above the ceilings on the 1st floor and goes into the mechanical room on the 2nd floor - Unknown Quantity per the report. For bidding purposes and to ensure everyone is bidding apples to apples, how would you like us to price this material for removal? We can price a certain quantity - 500 LF? Or we can provide a unit rate cost per LF to remove whatever is found?  
**Answer:** Please see the attached abatement design for reference for quantities. Include in base bid 500 lf for this item. See attached revised bid form.

f. **Question:** Is Alternate No 5: Scrape and Paint Exterior Trim by the abatement contractor or painting contractor?

**Answer:** This should all be done by the painting contractor and included on the bid form for Alternate No. 5. See updated bid forms.
